Deliberative – Do Not Release

Dave, David and Mary,

Included with this email is a draft Programmatic Agreement to address Section 106 of the National Historic Preservation Act as it relates to Florida's submitted request to administer a permit program for CWA Section 404. The FL assumption team has coordinated the current draft with OGC staff and management (Water Law Office and Cross Cutting Issues Law Office), OWOW staff and management (John Goodin), and EPA Region 4 staff and management (Leif Palmer and me). Below is some background on this draft document.

We also plan to go over this document as part of next weeks bi-weekly. At that time, we will review our approach, some of the comments we have already received from the consulting Tribes and hope to discuss next steps and timing with you as well.

I hope that you each have a great weekend and holiday. I look forward to talking with you next week.

Thanks  
Jeaneanne
